

**Helping...
should be fun!**

**...Here's how
we make it fun
at SOS**

- Snowboarding Comps
- Bicycle Races
- Golf Tournaments

**...'Tis better to
give than receive**

SOS relies heavily on events like these, and support from people like you, to finance its programs. During the '03-'04 season 83% of the funds SOS raised went straight to youth development programs. That means more for the kids!
